

Submitter: Lynn Grannan

On Behalf Of:

Committee: Senate Committee On Veterans and Emergency Preparedness

Measure: SB1509

The opportunity I had as a speaker for the Japanese American Museum of Oregon, I found how little is taught in Oregon schools about the Japanese American experience during WWII. The dedication, patriotism, and heroism of the Nikkei soldiers is a unique story that needs to be told, honored, & remembered.

Thank you,
Lynn Grannan
