

Submitter: Renee Perry  
On Behalf Of: Elizabeth Rasing RN  
Committee: House Committee On Judiciary  
Measure: HB4142

Dear Representative,

Please pass ORS 163.165. It is critical for healthcare worker's safety. Despite Salem Hospital's preventative policies and safety measures, violence is still prevalent towards healthcare workers. This legislation will better encourage acceptable behavior and better support staff.

Elizabeth A. Rasing, RN BSN
