

Submitter: David Gould

On Behalf Of: Oregon Advocates for School Trust Lands

Committee: Senate Committee On Natural Resources and Wildfire Recovery

Measure: SB1546

They do not have a current Fair Market Value to decouple from the Common School Fund. The value of Carbon Sequential is over one Billion dollars. We will represent the beneficiary to get the greatest value for the Common School Fund as required by Trust Law before you decouple. \$221,000,000 Is invalid to decouple I demand Full Value to decouple the Elliott State Forest from the Common School Fund
