Re: **YES ON HB 4006**, I'm a Patient and support my ND

Dear House Health Care Committee,

My name is Joyce Barak. I am a patient of a Naturopathic Doctor. I would like to share my experience working with this medical provider, and ask you to support HB4006." My Naturopath has aided in my recovery from cancer and continues to guide me to stay cancer free. His insight and guidance to a healthy lifestyle has been invaluable. Having insurance coverage is an important component to make this valuable service affordable.

"I am asking you to please vote yes on HB4006 and ensure fair access to licensed Naturopathic Doctors.

Sincerely yours,

Joyce Barak
