

Submitter: Rae Stewart
On Behalf Of: myself and kids
Committee: Senate Committee On Education
Measure: SB1521

I am fed up and tired of the continued government 'political' overreach and elected officials that continue to pass laws in conflict with democracy here in Oregon. As a native Oregonian and a mother of kids in the public school system I URGE YOU TO IMMEDIATELY STOP THE PROGRESS of SB1521. This is a terrible bill that is immoral, in conflict with the state's constitution (no cause state), is anti-democratic and provides more power to a government 'political' agency (Oregon Department of Education) that is completely failing our kids.

SB 1521 is an absolutely terrible bill for so many reasons and this is obviously a response to the Newberg School District who fired their superintendent for insubordination after refusing to enforce the board action removing political (Marxist) symbols from the classrooms.

Considering that the school board members were and are democratically elected to remove this political indoctrination from their public school district, there must be no other way to interpret SB 1521 as an anti-democratic attempt to block tax payers from influencing the public education they pay for and if you want our money then you should allow us the right and decency to have a say. STOP THIS BILL!

Sincerely,

Rae Stewart
