

Submitter: Kathy Curtis

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1521

I am vehemently opposed to this!! It is time to listen to the people and quit trying to slip things through on a quiet little day and then take over. THESE ARE OUR CHILDREN NOT YOURS. The superintendent and the rest of the school board as well as ALL EDUCATORS NEED TO EDUCATE reading writing and arithmetic and leave the rest alone. If they are not doing what parents want they have no place in the school!! Up to the parents not the government. You people are out of control
