On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire Recovery

Measure: SB1501

Dear Chair Golden, Vice-Chair Kennemer and Members of the Committee;

I'm writing to ask that you support four important Forestry related bills that will help us address the climate crisis over time, by significantly increasing the amount of carbon stored and sequestered on Oregon's private and public timbered lands. They are SB 1501, SB 1502, SB 1534, and SB 1536. All of these bills are needed to help fight climate change and to keep our forests healthy, safe and protected.

Thank you;

KB Mercer
