

Submitter: Shiela McClure
On Behalf Of:
Committee: Senate Committee On Education
Measure: SB1521

SB 1521 is an absolutely senseless bill that should not be passed! There has been too much use of emergency power in this state and this is not an emergency situation.

The rights of the local School Board should remain in place with NO emergency changes. School Boards must have the ability to remove an employee not performing adequately or improperly attempting to influence the thinking of our children. Superintendents are there to ensure education is the best it can be, not politically influence our youth!

We **STRONGLY URGE YOU TO IMMEDIATELY STOP THE PROGRESS** of SB1521. This is a terrible bill that is immoral, in conflict with the state's constitution (no cause state), is anti-democratic and provides more power to a government agency (Oregon Department of Education) that is completely failing our kids.
