On Behalf Of: Mr Oregon who supports SB 1576  
Committee: Senate Committee On Energy and Environment  
Measure: SB1576

02.03.22

David S. Wall  
SB 1576 Mattress Stewardship

I SUPPORT the concept of the much needed and way-over-due 'Mattress Recycling.'

SB 1576 needs amending to include a coherent funding structure as well as sources to recycle the components of mattresses.

GOOD JOB getting SB 1576 started.

'ZERO WASTE' Should be one of Oregon's goal to protect our environment.
