

Submitter: William Segerstrom
On Behalf Of: Divest Oregon
Committee: House Committee On Revenue
Measure: HB4115

How is our money contributing to this crisis? We don't know. The Treasury only shares about half of their investment holdings on an annual basis on the Oregon Investment Council (OIC) website. It took the Divest Oregon coalition 4 months of public records requests and public pressure to get all the holdings. It should be easier.

HB4115 will ensure that our Treasury publicly releases information about these holdings, which include investments in climate-wrecking fossil fuel companies, along with any climate risk assessments.

If the Treasury is doing a climate risk assessment of their investments, the results of that assessment should be available to the public as well.
