

Submitter: Jim Cundiff

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1521

The people, the tax payer, the parents should always have the right to terminate a school superintendent. Big business, big unions and government are one of the same (communist) and have an are taking away our individual rights. Our children's education belongs in the hands of the parents, the tax payer and the people NOT in the hands of big business, big unions and government officials.
