

Submitter: Jean Brodahl

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure: SB1589

The Willamette is not big enough to safely handle such large boats engaging in waterskiing or other towed sports. As a kayaker and birdwatcher, I have been dismayed and alarmed by the increase in amped-up motorboats - wake boats in particular - and jet skis on the river. To make the river safe and fun for everyone, please vote in favor of this sensible bill.

Thank you!
