

Submitter: David Wall  
On Behalf Of: Mr Oregon SUPPORTS HB 4056  
Committee: House Committee On Revenue  
Measure: HB4056

Friday [02.04.22]

I SUPPORT [HB 4056]

I would 'raise the marijuana tax to be retained' far more the the cost of inflation.

Illegal Marijuana grow operations and sales-although predictable by any stretch of the imagination are now costing the General Fund for law enforcement.

The Marijuana Industry is nothing more than 'state sponsored criminal enterprise' masquerading as a solution to the addiction of unbridled spending by the Oregon legislature.

[HB 4056] does not raise enough revenue to counter the enforcement side of the Marijuana Industrial Complex.

David S. Wall

Mr. Oregon CONCURS and criticizes those who 'Bogart' the revenues owed to the state.
