On Behalf Of:

Committee: House Committee On Agriculture, Land Use, and Water

Measure: HB4127

To House Committee on Land Use, Agriculture, and Water:

I strongly oppose HB 4127.

The Wolf Compensation Program needs more accountability and transparency, not more money. We need for the fund to do what it was set out to do: support livestock operators for verifiable direct losses and build tolerance for wolves.

As a taxpayer, I strongly object to legislation like HB that pays for neglectful livestock practices.

Sincerely,

Georgia Wier
