Of:

Committee: Senate Committee On Judiciary and Ballot Measure 110
Implementation

Measure: SB1541

Hello, my name is Jeremy Salmon and I'm a longtime resident of Multnomah County. I am writing to testify in opposition to SB1541. This bill would take \$120 million out of the Measure 110 services fund during a critical time when behavioral health systems are stressed to the breaking point. As the other testimony in opposition has listed out, we need to fully fund this measure to cover vital health needs.
