

Submitter: Ravinder Waraich

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB4152

Sorry I accident out last year's bill in my earlier testimony. Submitting it again with the correct bill number.

Chairman Holley, vice chairs and the members of the committee

My name is Ravinder

I am testifying in support of HB4152

Just as we would do with our classmates and friends, we build relationships at work through transparency and this bill will allow us to have a transparent relationship with our franchisor. It will also help us be profitable so we can take care of our local communities and employees better and level the playing field.

I am hoping this bill turns into law and protects me and others as local small business owners in Oregon.

Thank you for your service.
