

Submitter: Dylan Dreckshage
On Behalf Of: Everyone
Committee: Senate Committee On Finance and Revenue
Measure: SB1506

If you support this tax you will be voting yourself out of office. You are elected for the people, by the people, not by the state. Your livelihood as a political puppet will be at risk if you vote to support this tax. The campaign to replace each representative that votes for this measure starts the moment you vote for it.
