

Submitter: Brandan Topham

On Behalf Of:

Committee: House Committee On Human Services

Measure: HB4079

One of the things that makes Oregon unique is the fact that we do not have a sales tax. Please do not take that away from us now. It does not matter what the sales tax is on. Any sales tax will end that unique status we have.

Please oppose HB 4079

Thank you,

Brandan Topham
