Measure: HB4079

This bill establishes yet another "service" guaranteed to bring more folks to Oregon who contribute nothing to the coffers that benefits fellow Oregonians. These types of initiatives have been tried in other states and failed miserably. Look at San Francisco! Lastly, the reason Socialism doesn't work is because people will not continue to work only to give the fruits of their labors to others who are not willing to do the same. This bill is a stupid Socialistic idea that will fail and will only result in increased crime and increased costs for taxpayers. Let's not even mention the fact that income tax is astronomical in Oregon. Gas taxes run high. And you have the nerve to WANT MORE!!! NO!!!! NO MORE TAXES!!!
