Measure: HB4079

This not a viable solution to our homeless and low-income problems.

It is another short term hand-out.

We can't personally afford any more taxes.

I am a home owner and with a LG family of 8.

We as our community can't take on anymore tax burdens or failed tax burdens that achieve very little towards the taxes promised goals.

Right now there are community action, DHS, SNAP, TANIF & OHP programs OUT THERE TO KEEP UTILITIES AND ROOFS OVER HEADS ACROSS THE COMMUNITY.

The homeless and low-income family's need working solutions to this evergrowing economic problem not just another short sided program state tax.

The projected state tax program your asking WILL trickle down to the low-income poverty level and create more financial burdens.

NO STATE SALES TAX.

QUIT TRYING TO FIND QUICK SHORT TERM NON SOLUTIONS TO LONG TERM DIFFICULT PROBLEMS.

WHAT WE NEED IS A STATE WIDE STABLE ECONOMY AND MORE JOBS TO RESOLVE LOW-INCOME AND HOMELESSNESS.

THANK YOU. (KLAMATH FALLS)
