Measure: HB4002

My name is Alex Iverson. Working on the farm for me is the place where I belong, its a place where I can use my problem solving skills to overcome challenges and prepare me for the world that is coming for me. For that reason please don't pass HB4002 as I want to work as many hours as I can. With all theses hours working and money I am making I plan to use the money to invest into the family ranch to keep running cattle for local families who enjoy our beef.
