Measure: HB4079

This additional tax will be a burden to already overtaxed struggling families and businesses. We do not need another tax. This will not solve the problem but rather create another organization that will need to be created to collect and administer the monies. That alone will cost the taxpayer. And giving the homeless a stipend will not discourage the homeless from remaining homeless. There is no win in this bill. I urge you to vote no on HB 4079
