

Submitter: Kara Berent

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure: SB1589

I have been boating since a very young age. I grew up riding a homemade plywood board with a rope handle, then moved on to water skis, and now to wake boarding. Our kids now enjoy boating with us and ride kneeboards, wakeboards, and surfboards. I oppose the bill to limit a boats weight. Boating is a family fun activity that we all must be allowed to enjoy.
