

Submitter: Bob Sowdon
On Behalf Of: Oreogn Citizens Lobby
Committee: House Committee On Human Services
Measure: HB4079

Chair Rep.Williams and committee members

Please send HB 4079 to the Trash heap. It is insane to offer money to folks, they need a hand up not a handout, especially when it is the taxpayer that will suffer when people out of Stae start pouring in to receive their hand out. W should encourage getting these people into paying jobs.
