

Submitter: Ayres Lane

On Behalf Of:

Committee: House Committee On Human Services

Measure: HB4079

STOP abusing the hard working class to promote laziness!!!!

I Work very single day, I work hard, and our streets are full of drug addicts.

This is because the State of Oregon has been promoting our streets as a sanctuary for people who want to live in the streets.

ENOUGH!!!!

I'm all for supporting families who lose their jobs and need a hand but what Oregon is doing is attracting lazy drug addicts and maintaining them with OUR MONEY. Most of them are mentally unstable. I HATE walking around downtown Eugene. I don't go for walks at night. I have seen mentally disabled people run around with blades in our streets.

PAY THIS WITH YOUR OWN MONEY.

LEAVE THE HARD WORKING PEOPLE ALONE.

IM FULLY OPPOSED TO THIS.
