SUBJECT: Support for 1562, the Oregon Sign Language Interpreter Licensure Bill

To the Chair Taylor, Vice-Chair Knopp, and members of the Committee:  
I am writing to urge this Committee to support SB 1562.

My name is David Brackett I am a Founder and CEO of a Sign Language and spoken language agency based out of Portland called Linguava. Today I write to you to urge the Committee's support of SB1562.

This bill will protect the more than 180,000 Deaf, DeafBlind, and Hard of Hearing Oregonians in our state by establishing a licensure requirement for Sign Language interpreters. Currently in Oregon, anyone can legally represent themselves as a Sign Language interpreter whether or not they are qualified and provide services in settings such as: emergency press conferences, drug treatment facilities, emergency medical situations or attorney-client meetings. This results in unqualified or unethical interpreting services, violating the rights of our Deaf, Deafblind, and hard of hearing Oregonians and potentially causing great harm to consumers. Along with the risk to the consumers, hiring entities including government agencies are at risk of lawsuits if they hire interpreters who are unqualified.

SB1562 will create a State Board of Sign Language Interpreters within Oregon Health Authority, outline requirements for interpreter licensure, establish standards for the profession and by doing this protect consumers and hiring entities by requiring licensure to work as a Sign Language interpreter in Oregon. Over 30 states have established such requirements for Sign Language interpreters and the passing of this bill would ensure Oregon is in line with national best practices.

I have been in the industry for the past 15 years and I have witnessed the disparities in quality with Sign Language interpreters. This puts the Deaf, Deafblind and Hard of Hearing citizens at great risk and can have a real negative impact on their health outcomes and patient experience.

I respectfully ask for the Committee's support of SB1562 the Oregon Sign Language

Interpreter Licensure Bill because this law will protect the rights of Oregon's Deaf, Deafblind, and Hard of Hearing citizens.

Sincerely,

David Brackett
