On Behalf Of: Froerer Farms  
Committee: House Committee On Business and Labor  
Measure: HB4002

As a family farming business I am against this bill, it will truly make the workers make less money. By forcing us the employer to cut there hours to that of which you choose to have them work, be that 40 or 50 hopefully 60. We will have to hire more workers and just pay them for those hours, that are not over that over time hour. You will be forcing many workers to make less money per year. Unless they can go find another job.

Do NOT force our workers to make less money. If you pass this, this is exactly what you will be doing. Hurting the ag workers not helping them.
