

Submitter: Amanda Jordan
On Behalf Of:
Committee: House Committee On Rules
Measure: HB4133

I strongly oppose HB 4133. Allowing a social security card to register to vote would expand voting from only US citizens to anyone with a social security number. Although resident aliens are an important part of our economy, they are not qualified to vote as they are not citizens. Protect election integrity; vote NO on HB 4133.
