

Submitter: Matthew ew Roberts
On Behalf Of: Citizens of Oregon
Committee: House Committee On Human Services
Measure: HB4079

This bill is an absolute travesty of super majority conceit and goes against the will of the voting public as is evidenced by past votes on the subject. Oregon has an abundance of funding already and there is no public interest (which you are supposed to serve) in moving this forward.

A vote for this poorly written, planned, and thought out Bill would be in direct opposition to the will of the people. The people will remember and vote accordingly.
