Estoy aquí escribiendo a usted apoyando el proyecto de ley sobre el pago de horas extras para los agricultores (HB 4002). He conocido por amigos cercanos que ellos no se les paga horas extra y creo que es un derecho que se les pague a ellos porque es un trabajo digno como los de todos y sin tomar en cuenta que ya su salario es el mínimo donde no hay vacaciones, no bonos, no días festivos. Lo más justo es que se les pague horas extras trabajadas ya que hacen un trabajo de mucha ayuda sin ser reconocido, que dejan a sus hijos con personas que los cuiden sin saber a qué horas saldrán para recogerlos; su vida ya es dura y difícil.

Muchas gracias y esperamos contar con su apoyo a la propuesta HB 4002.

Sinceramente,

Milagros A

Chair Holvey, Vice Chairs Bonham and Grayber, and Members of the House Business and Labor Committee.

I am here writing to you in support of the Farmers Overtime Pay Bill (HB 4002). I have learned from close friends that they are not paid overtime and I think it is their right that they be paid because it is a decent job like everyone else's and considering that their salary is already the minimum where there are no vacations, no bonuses, and no holidays.

The fairest thing is for them to be paid for overtime worked since they do a very important job without being recognized, they leave their children with people who take care of them without knowing what time they will leave to pick them up; their life is already hard and difficult.

Thank you very much and we look forward to your support of HB 4002.

Sincerely,

Milagros
