Committee: House Committee On Health Care
Measure: HB4045

Monday; [02.08.22]

I OPPOSE [HB 4045].

I have a much better idea...Why doesn't Oregon practice; 'swift, certain and severe punishments' tailored to fit criminal offenses?

Molly-coddling the criminal element does not work.

Maybe the criminal element should be able to perpetrate criminal activity, without fear of reprisal, upon the lunatic fringe masquerading as 'District Attorneys' and or Judges?

Mr. Oregon Concur-Trash this 'Grant Program'. Build outdoor stockades instead and fill them up with criminals.
