Measure: SB1589

Once again I need to write that I am opposed to banning wake surfing and creating a weight limit on boats that are able to enjoy tow sports. Am I going to have to do this every year?? It is getting old. Wake sports are a wonderful family activity. My kids are 4th generation water sports kids. I learned how to ski behind my grandfather's boat. I am looking forward to the day that I can teach my grandkids. How far am I going to have to drive to do this? Every year another area is closed. It is time to put a stop to these closures.
