Measure: HB4080

I am writing in strong opposition to HB 4080. As a native Oregonian, living in the state for over 50 years, the passing of such a bill is completely against what Oregon stands for. This bill allows the cruel over-killing of Oregon's wildlife. It is unnecessary as Wildlife Services already has the power it needs to stop what is truly deemed as a predator. It does not need additional power to kill without controls. Stop HB 4080.
