On Behalf Of: Mr Oregon Oppose HB 4101
Committee: House Committee On Health Care
Measure: HB4101

Tuesday; [02.08.22]

I OPPOSE [HB 4101].

The concept is a good one-the distance is too short for some public places; community parks, parking lots of community buildings et cetera.

More refinements are needed including the cost of enforcing [HB 4101].
