

Submitter: David Wall
On Behalf Of: Mr Oregon Opposes SB 1545
Committee: Senate Committee On Labor and Business
Measure: SB1545

Tuesday; [02.08.22]

I OPPOSE [SB 1545].

I reviewed the 'priority populations' below. taken from the 'Text' of [SB 1545].

"(8) "Priority populations" means:

- (a) Communities of color;
- (b) Women;
- (c) Low-income communities;
- (d) Rural and frontier communities;
- (e) Veterans; and
- (f) Participants in offender reentry programs."

[SB 1545] supports and codifies into Oregon law; 'systemic racism' and eliminates 'equal treatment of everyone under the law'. I cannot support 'systemic racism' and or preferential treatment of one person over another.

There were also problems with the 'Non-profits' which are also problematic.

Redirect the \$35,000,000 from the General Fund to expedite [SB 1590].

David S. Wall
Mr. Oregon Concurs.
