

Submitter: Matthew Calef

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB4002

Legislators,

This bill is a direct assault on family farms. For the last 5 years Oregon's minimum wage has gone up over 40%. We have already absorbed this added cost, without a viable way to pass these costs onto customers, given the commodity prices driven by the market. Now this bill proposes to add another level of labor expense. This is too much. Please oppose this bill.
