

Submitter: Stacie Hall

On Behalf  
Of:

Committee: Senate Committee On Judiciary and Ballot Measure 110  
Implementation

Measure: SB1543

Chair Prozanski, Vice-Chair Thatcher and members of the Senate Judiciary Committee,

My name is Stacie Hall and I live in Oregon City. I am writing in support of SB 1543 which would provide immigrant Oregonians with legal support during deportation proceedings. Despite a new president and administration, Oregon's immigrants are still very vulnerable to deportation which is why we need accessible, culturally responsive, and community focused legal services.

Many people in removal proceedings have valid legal claims to remain in the country and continue to contribute to Oregon's communities, but have no way to articulate these claims without the assistance of counsel. This bill safeguards due process by allowing immigrant Oregonians to access the rights afforded to them under existing law.

Representation by an attorney is the single most outcome determinative factor in deportation proceedings. Representation by an attorney improves someone's chances of staying with their family by 457 percent.

SB 1543 further expands the successful Equity Corps pilot program funded by Multnomah County, the City of Portland, and the State of Oregon to create statewide infrastructure for immigration legal defense.

Oregon is home to thousands of immigrants and refugees who live in urban and rural areas statewide and are critical to the state's cultural and economic vitality. Immigrant Oregonians work in key Oregon industries, are essential workers, and own small businesses that contribute to the vibrancy of our communities.

Oregon is home to thousands of immigrants and refugees who live in both cities and towns statewide, and are critical to the state's cultural and economic vitality. Immigrant Oregonians work in key Oregon industries, are essential workers, and own small businesses that contribute to the vibrancy of our communities.

All Oregonians should be treated with dignity and respect regardless of where they were born. But Oregonians who are immigrants and refugees, especially immigrant Oregonians who are Black, Indigenous, or people of color, have faced increased immigration enforcement that includes racial profiling, detention, family separation,

and potential removal to countries where they have fled violence and persecution.

We must protect the rights of everyone who calls Oregon home and support their ability to thrive. By doing so, we can continue being a place that values families and communities.

Sincerely,  
Stacie Hall
