Committee: House Committee On Rules
Measure: HB4133

I am 100% opposed to this bill!!! There is no way to verify who is registering. Also, allowing a third party to register people is absolutely unacceptable. Voting is one of the most important rights we have. It needs to be taken seriously and allowing a third party to register others is cause for possible fraud. It's just way too easy for fraudulent activity to occur. Please vote this bill down!!
