

Submitter: Robert Cochran

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: HB4080

I very strongly oppose HB4080 and do not believe that we here in Oregon should be giving so called Wildlife Services any more money for supposedly "managing" our wildlife, when in fact they have a reputation for killing wildlife. I also don't like that nothing in this bill keeps them accountable to we the taxpayers for how exactly they are doing their "management"
