Oppose.

Please oppose this bill. Our farmers endure a a short harvest season with long hours, and then months of off season. Long hours during harvest is endured and expected, it comes with the job. Passing this bill would devastate many small farmers. And it would leade to higher prices on crops. Costing Oregonian our locally sources farm fresh foods. Those would be imported cheaper. Or large co op farms would buy up the land. The consequences are endless.

Please oppose.
