

Submitter: Nancy Matheny  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB4133

Dear House Members:

Election integrity depends on a secure means of registering Oregonians to vote. If we allow 3rd party organizations to submit Social Security numbers on behalf of others, we open the floodgates to fraud. No accountability is preserved when 3rd party organizations intercede.

Please vote NO on House Bill HB 4133.
