

Submitter: Debra Lutje

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, and Water

Measure: HB4127

HB 4127 is welfare for Ranchers. It's a terrible waste of taxpayers money and is very bad legislation.

The Wolf Compensation Program is a brilliant idea but requires more accountability than it is currently receiving. Throwing more money at a problem does not make it better, it only wastes taxpayers money.

It would be a mistake to pass this horrible legislation.
