Measure: HB4080

I am a resident and rancher in Douglas County Oregon. We run cattle, sheep, goats as well as some horses and chickens. We have fought a variety of predators for years, mostly since the laws changed on hunting with dogs. We have evidence of coyotes, cougars, and bobcats as well as bears on our ranch. We have lost calves, sheep, goats and chickens to these predators. We need this bill to pass so we can continue to help support the County Trapper to reasonably defend our livestock.

I am offering my support to this bill, please pass it on the behalf of those of us who support so many other residents of the state of Oregon.

Thank you,
Abbie Malek
