Committee: House Committee On Business and Labor

Measure: HB4002

As a family run vineyard of 40 years we oppose HB 4002. Simply, we will adjust to this bill if passed by having more employees because we can not afford overtime. The net result to current employees is that they will make fewer dollars during the year because we cannot afford overtime. The other thing that will happen is we will go to more mechanization with the same result to our ag workers.
