

Submitter: Debbie Wong

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SB1526

Dear Chair Senator Wagner, Vice-Chair Senator Knopp and members of the committee:

I am a citizen of West Linn and am writing in opposition to SB 1526 in its current form. Campaign limits are blanks currently to be filled in later. The penalty for an unlawful contribution would be 150% which is inadequate for deterrence which makes whatever campaign limits placed basically irrelevant. Please see my testimony for SB 1561.

Respectfully,
Debbie Wong
