

Submitter: Don Wheeler

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure: SB1589

I have been boating on the river for over 15 years and it has been a wonderful family activity that is close to our home. Now that my grandkids are getting old enough to ride a wakeboard we want to be able to continue to use the river safely. Please increase the enforcement level to eliminate the few bad boaters that are causing damage. Thanks
