On Behalf Of: Mr Oregon Opposes HB 4132  
Committee: House Committee On Health Care  
Measure: HB4132

Thursday; [02.10.22]

I OPPOSE [HB 4132].

Although well intended, [HB 4132] will be a very costly and burdensome boondoggle which I want no tax money dedicated to support.

[HB 4132] will require an entire section of The Department of Consumer and Business Services to be created.

[HB 4132] gives every appearance of undue influence to benefit insurance companies.

With all the categories of 'Healthcare Providers' listed in [HB 4132]; I am taken back why the practitioners of Voodoo were not included, to provide healthcare relief to the underserved communities and to insure 'Equity' in access to healthcare services.

David S. Wall

Mr. Oregon Concur-Don't forget to add those that practice 'Santeria'-these folks have 'Orishas' on their side.
