On Behalf Of: 4141
Committee: Joint Committee On Transportation
Measure: HB4141

I write in strong opposition to 4141. This will disrupt production of farm productivity and food production in our state. Priority should be given for meeting the needs of food for the citizens of the state of Oregon. We have citizens in need of food assistance. To limit the fuel needs of farmers and truckers in our state is an insult to all Oregon citizens. Prove that you put human needs and dignity of persons as a priority.
