

Submitter: Michelle Stokes

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB4141

Please consider all of the individuals who haul into our great state. Please consider all of the individuals who produce food for our great state. Keeping us all strong. Without a strong economy our state will suffer. This economy's base is products produced and marketed within and for our state, supplying the people who live within. Please vote no to getting rid of Diesel.
