Measure: SB1507

Dear Members of the Senate Committee On Finance and Revenue:

I would like to ask you to support SB 1507. The Oregon Tax payers have voted against added taxation for many years. This CAT tax has already cost the community I live in to lose the pharmacy at the Local Bi-Marts.

I would like to see our state work towards making it easier for good businesses to thrive, and want to come to Oregon.

Thank you for considering my opinion.
